

Grace Manor Family & Friends:

We are so very thankful for the support of our community and the hard work of our employees over this past year. The success of our company is built on the efforts of our employees and the belief of our community, and in this past year we have enjoyed many successes. In 2018, Grace Manor placed 128 children in stable, loving homes and opened 39 new homes in which we can offer a healthy environment to children in need. Achieving permanency for children in foster care is one of the primary goals of the state and our agency. Last year we were able to achieve permanency for 48 children in our care, a 25% increase for Grace Manor from 2017! We have to say a huge thank you for the commitment that our families, employees and communities have shown to our agency and the children we work to protect.

We have come through a year that was filled with changes and challenges as well. Throughout those changes, I am so thankful to be a part of an agency whose focus is what's best for the families and children we serve. How reassuring it has been to know that we can count on all of you regardless of what faces us. On behalf of Grace Manor, please allow me to extend my personal and genuine appreciation to each and every one of you for your valuable contributions to this agency. Working with you this past year has been a pleasure and I am proud to have you all with us!

Sincerely,

Lauren Prince, LMSW, LCPAA
Statewide Director
Grace Manor, Inc.
